

Milaca Building Center Announces November Promotion

15% off all Tyvek Products through November 30, 2009.

Milaca, Mn., November 5, 2009 – Milaca Building Center has announced that they will be offering a 15% Discount on all Tyvek® HomeWrap® products through April 30, 2009. DuPont™ Tyvek® HomeWrap® helps reduce homeowner energy bills because homes stay cool in the summer and warm in the winter and dry all year round.

About Tyvek:

DuPont™ Tyvek® HomeWrap® delivers the optimum balance of properties for superior performance against the elements. Their house wraps helps prevent outside water from entering the walls and helps to seal the home to keep outside air where it belongs.

About Milaca Building Center

Milaca Building Center has been a family owned and operated business since its beginning in 1935. From the idea to the finished Project Milaca Building Center's professionally trained sales staff can meet all home improvement project needs: Home Construction * Pole Buildings * Windows * Doors * Power Tools Hardware * Roofing * Millwork * Do-It Yourself Projects.
